Sharing Equipment Shouldn't Mean Sharing Germs

Without a proper cleaning and sanitizing regimen, fitness centers and gyms can become breeding grounds for germs. Sani Professional® wipes kill germs more effectively and are more economical than sprays, liquids, gels or dry wipes alone.

When it comes to general cleaning, Sani Professional® Cleaning Multi-Surface Wipes or dry, reusable Foodservice Towels are a better alternative to laundered linens.

Product	Description	Where to Use
Cleaning Multi-Surface Wipes  90-CT. (A580FW)	<ul style="list-style-type: none"> A quick, easy-to-use alternative to cotton rags Quickly removes spills, crumbs and dry debris Leaves no streaks or residue NSF registered C1 	<ul style="list-style-type: none"> Concession area tables and chairs Glass display cases Stainless Steel Windows Gym and locker room mirrors Gym equipment Digital devices* Touch screens*
