

# LESS <sup>is</sup> MORE

## Get the Sani Professional® Softpack Advantage

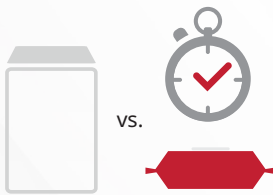

Looking for ways to save waste, space, shipping costs and time? *Find them here.*

Up to 85% less plastic than canisters and reduces the overall waste footprint<sup>1</sup>

Softpacks occupy up to 60% less space compared to a large canister<sup>2</sup>

One truckload of softpack packaging materials equals up to 15 truckloads of large canister packaging materials<sup>2</sup>

Solo® lid makes dispensing more time efficient than traditional canister lids.
