**FOOD SAFETY** is our Passion. Making it **SIMPLE** is our Mission.®

# FOOD SAFETY is our Passion. Making it **SIMPLE** is our Mission.<sup>®</sup>

Commercial food and business establishments face major challenges when it comes to cleaning, sanitizing, and disinfecting. Too many products, too many steps, and not enough time increases the risk of unsafe food and surroundings.

At Sani Professional, we understand you. Our goal is to help you protect your reputation with convenient cleaning methods that are proven effective, compliant and user-friendly. No mixing or measuring is required. Plus, we've color-coded our lineup to ensure straightforward training, proper use and ease of storage. Look for our enhanced color-coded system:

**green = clean; red = sanitize; black = disinfect; blue = hands.**

Our broad range of easy-to-use cleaning, sanitizing, and disinfecting products help mitigate the risk of illness commonly caused by cross-contamination of surfaces, improper food handling and poor personal hygiene.

Sani Professional<sup>®</sup> Cleaning Multi-Surface Wipes are effective in removing food and debris, and for general cleaning of hard, nonporous surfaces.

Sani Professional<sup>®</sup> No-Rinse Sanitizing Multi-Surface Products are a reliable method to sanitize hard, nonporous food contact surfaces. Each wipe contains the same level of sanitizer, guaranteed.

Sani Professional<sup>®</sup> Disinfecting Multi-Surface Wipes effectively kill microorganisms commonly found on high-touch, non-food contact surfaces.

Sani Professional<sup>®</sup> Hand Sanitizing Wipes promote good hand hygiene among staff and guests and help stop the spread of infection.
