Making it **SIMPLE** is our Mission.®

## Product Guide: **Assisted Living Facilities**

**Cleanliness is essential for your reputation in assisted living facilities – to protect your residents, guests, and employees.** Sani Professional® offers a broad line of products that help you and your team simplify the way you clean, sanitize, and disinfect – from dining rooms and common areas to residents' rooms, restrooms, and much more. Our solutions help you maintain the highest standards of compliance and care, benefiting your vulnerable residents including those who are immunocompromised.

**Easily remove food and debris from multiple surfaces – Wipe. Toss. Done!®**

**A reliable method to sanitize hard, nonporous food contact surfaces. Each wipe delivers a consistent level of active ingredient.**

**Effectively kill microorganisms commonly found on hard, nonporous, nonfood contact surfaces.\***

**Promote good hand hygiene among residents, staff, and guests, and help stop the spread of infection.**

Sani Professional® products give your operation an effective system to meet your general cleaning, sanitizing and disinfecting requirements. Our surface and hand wipes are an economical and effective alternative to liquids, gels, and rags. Plus, our solutions can help you increase efficiency and compliance, as well as resident, guest and employee satisfaction.

### **Brand Trust and Loyalty are Earned.**
